Coach Glen C. Crocker - former grid and cage star from Harden - Simmons is completing his third year as coach at H. W. H. S. He has worked hard and has been credited with being the most successful Coach H. W. has ever had. He piloted the team of '45 to fourth place in Dist. 36 A with three victorious winnings and three losses. We thank him for his hard work and wish him the best of luck with his team in '46.

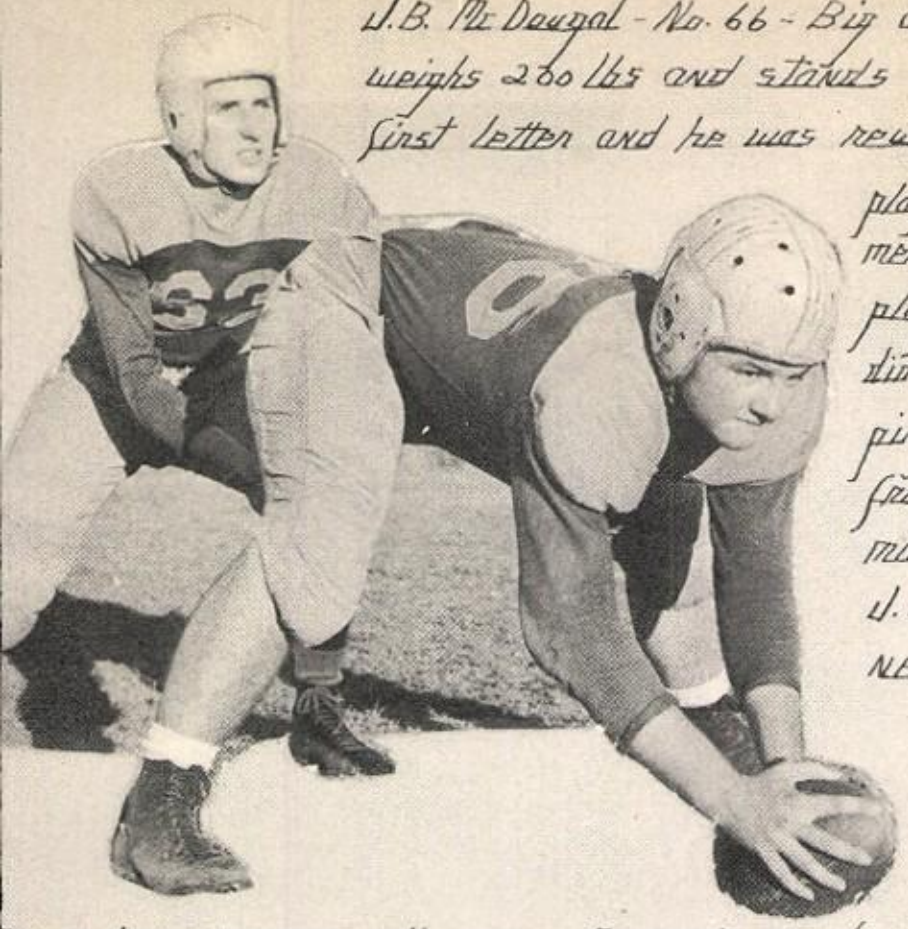
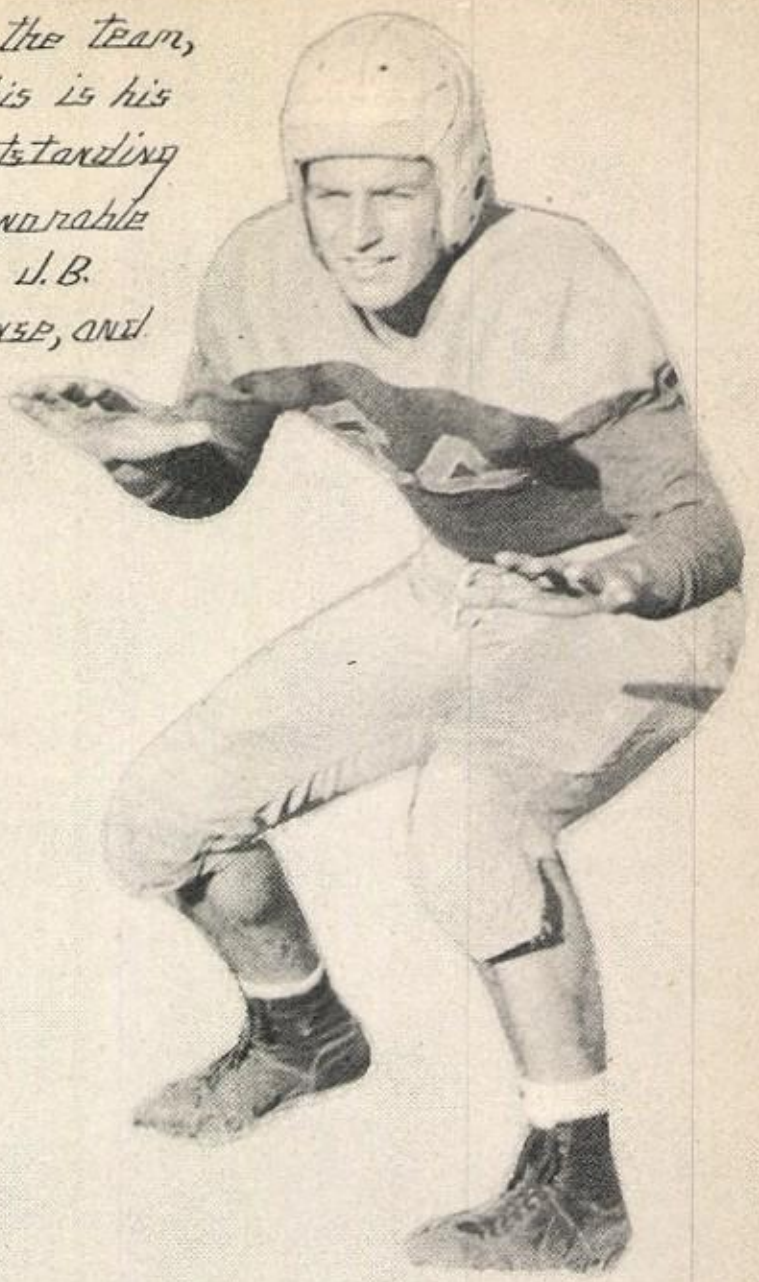
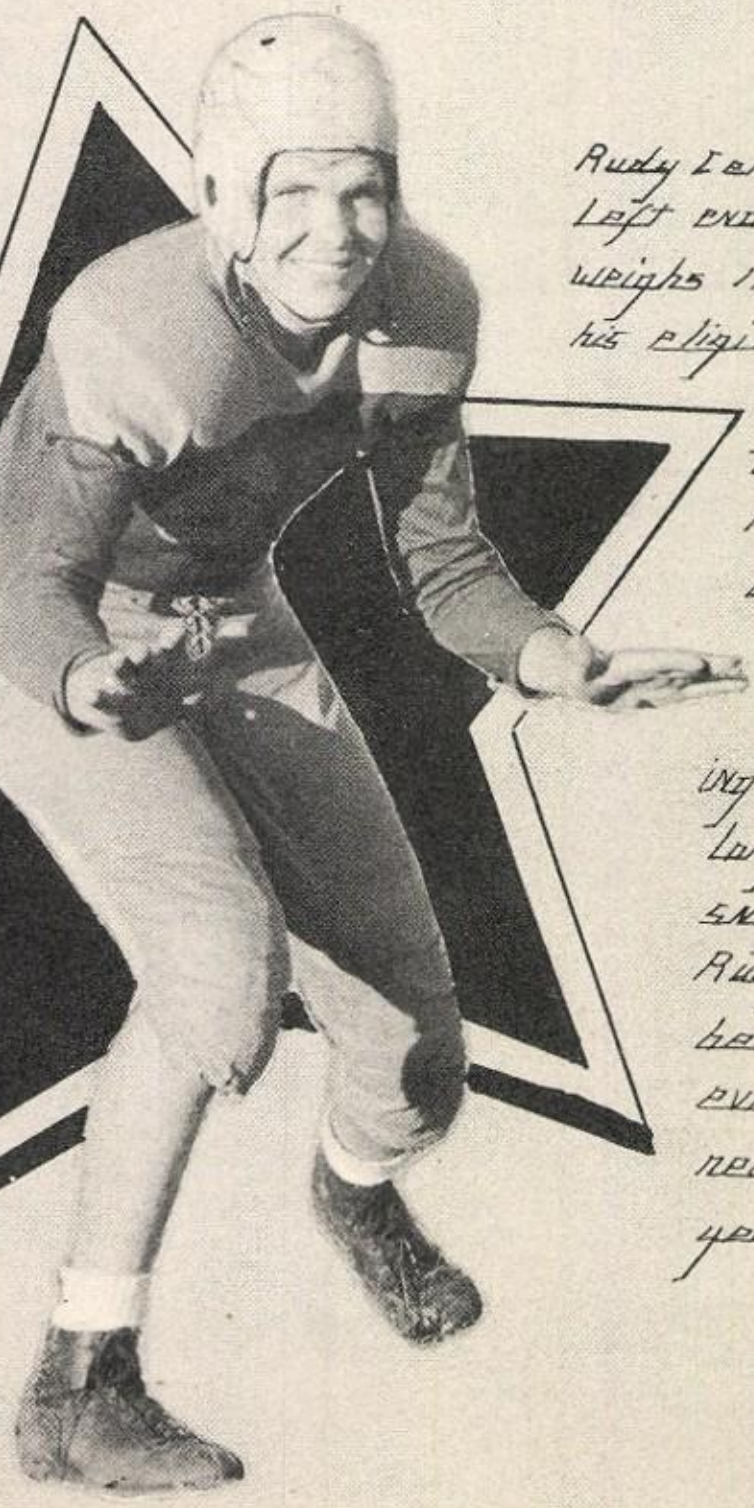
Above is pictured our 1945 football squad, of which the most successful tea in Hot Wells' history is composed. They are as follows: Back row left to right - Tom Laurie, Gene Van Cleave, James Martin, Jimmy Hill, Bo Champagne, Robert Cobb, Charles Moreland, Alexander, Rudy Lemmin; Front row - Coach Glenn C. Crocker, J. B. Mac Dougle, Neal Hunek, Wa Shields, Frank Allison, S.P. Goodes, Gus Langwell, Ray Bryan, Ross Glazner, Charles Lawritze

J.B. Mc Dougal - No. 66 - Big and heavy center on the team, weighs 200 lbs and stands 5 ft 9 in. tall. This is his first letter and he was rewarded for his outstanding playing by making honorable mention in Dist 36-A. J.B. played guard on defense, and did a good job of stopping enemy backs from cracking the middle of our line. J.B. will be back next year.





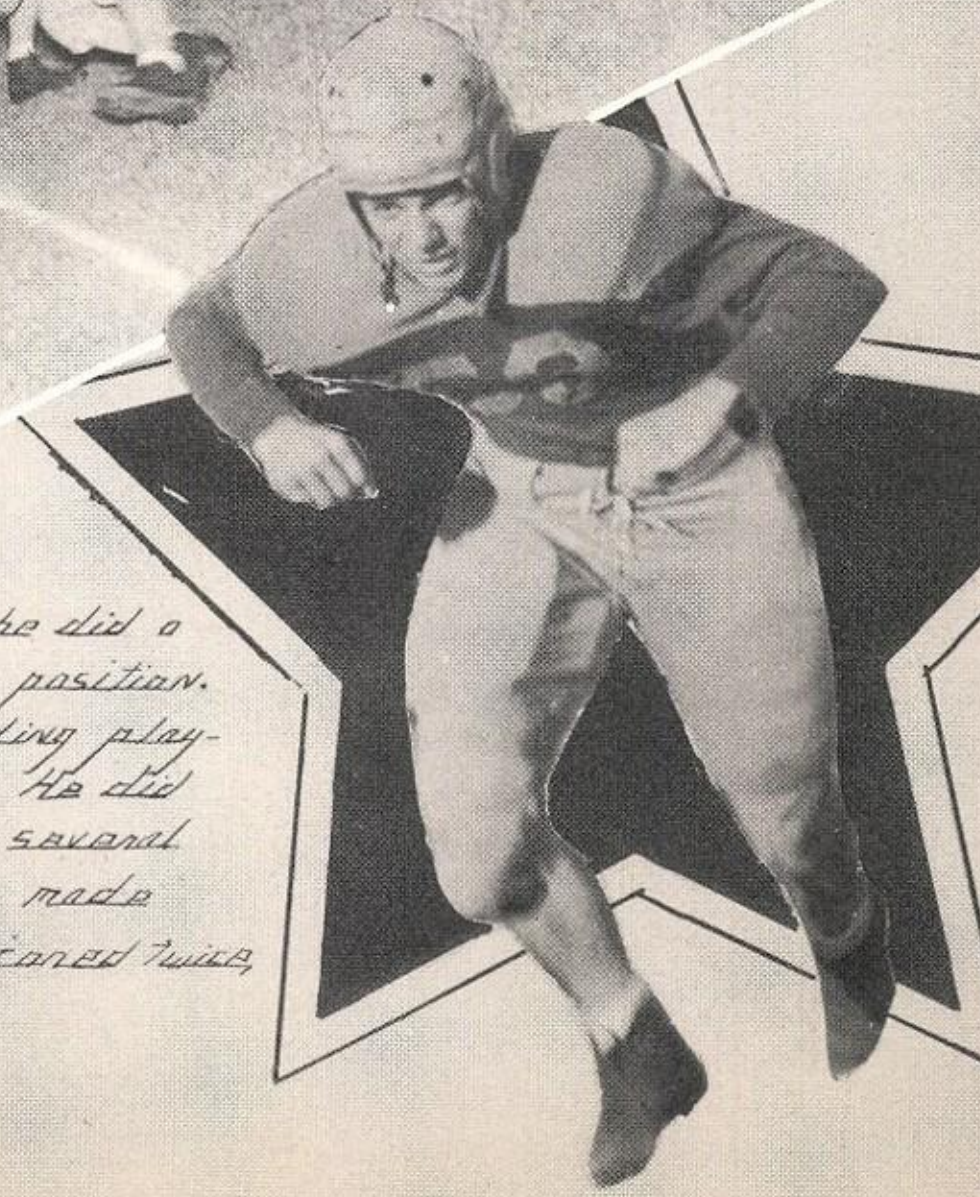
Gene Van Cleave - No. 63- Speedy and shifty back of Hot Wells stands 5 feet 9 inches tall and weighs 163 pounds. Van, although not a regular starter played well as we will remember in the Edison game. He scored 7 points this year. This is Van's first year and he expects to be back next year.



Rudy Lennin - No. 64- Speedy Left end towers 6 feet and weighs 170 pounds. Rudy ended his eligibility this year having lettered 3 yrs. for the Blue Devils and made honorable mention in Dist 36-A. We will always remember him, for his outstanding defensive playing along with his ability to snag Bo's bullet passes. Rudy was one of the best ends Hot Wells has ever had and they will really miss him next year on the starting team.

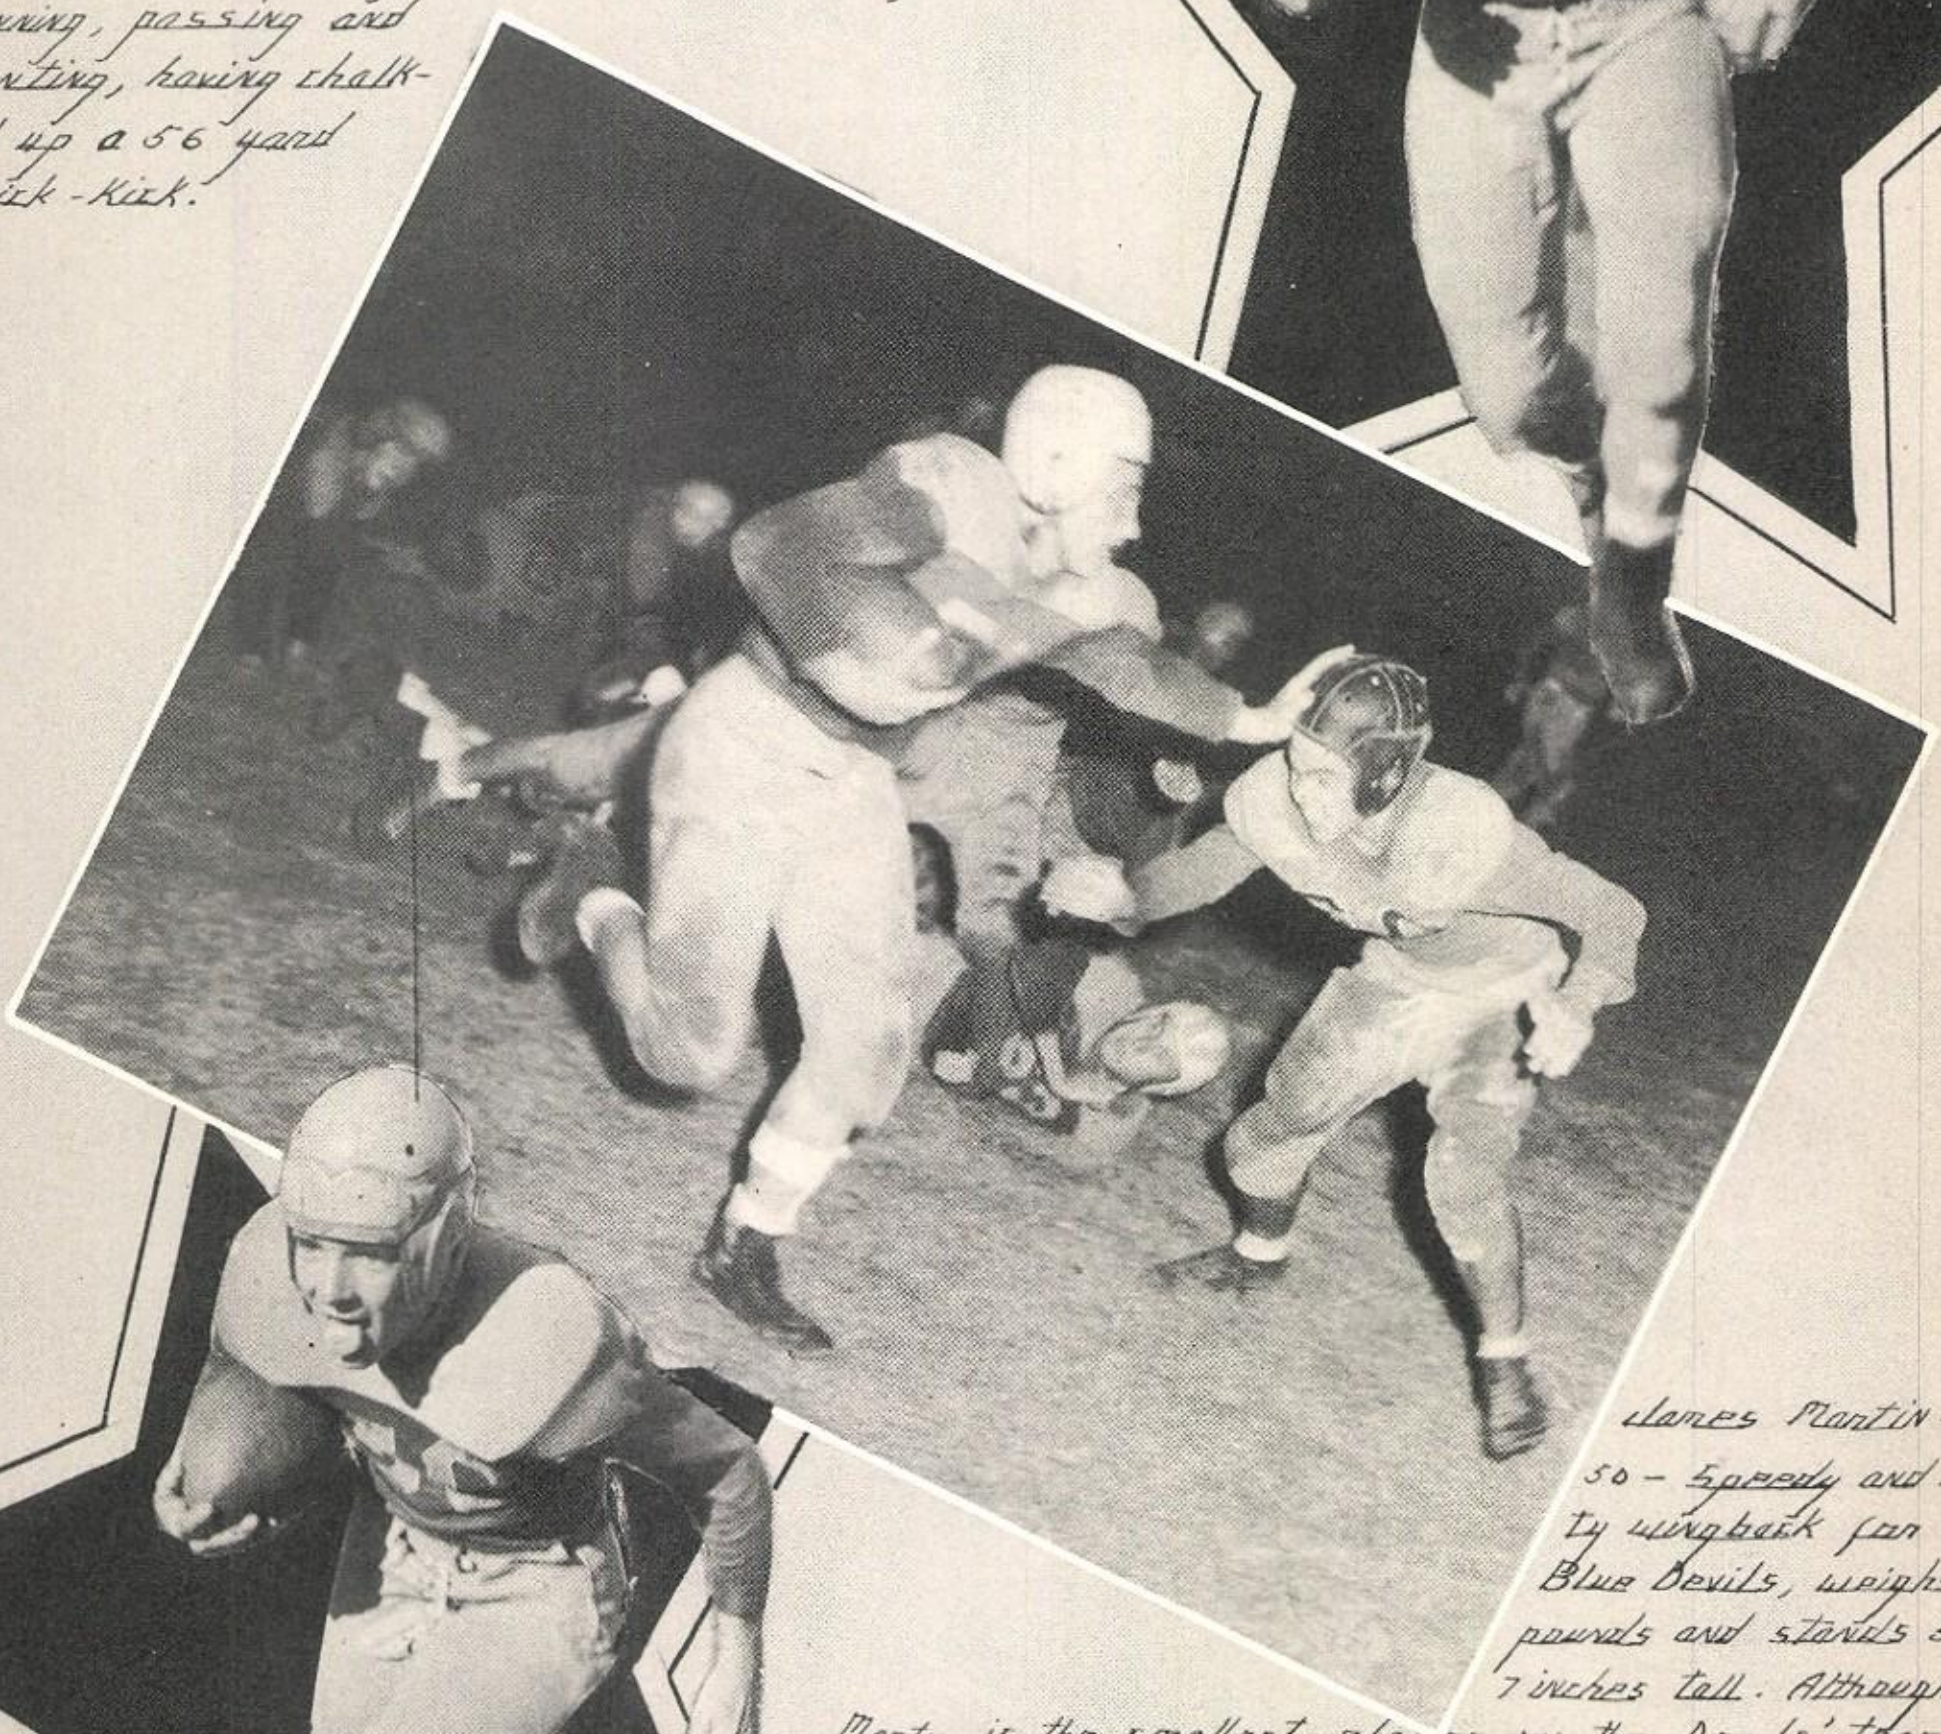
Tom Lownie - No. 60. was rated as one of the cities best ends and was rewarded for his outstanding playing by making all-city end in Dist. 36-A. Tom weighs 170 lbs. and stands 6 ft. 3 in. tall. He played halfback on defense and intercepted many of the enemies' passes. Tom was one of the Co-captains this year. This is Tom's third and best letter for the Devils and they will really miss him next year

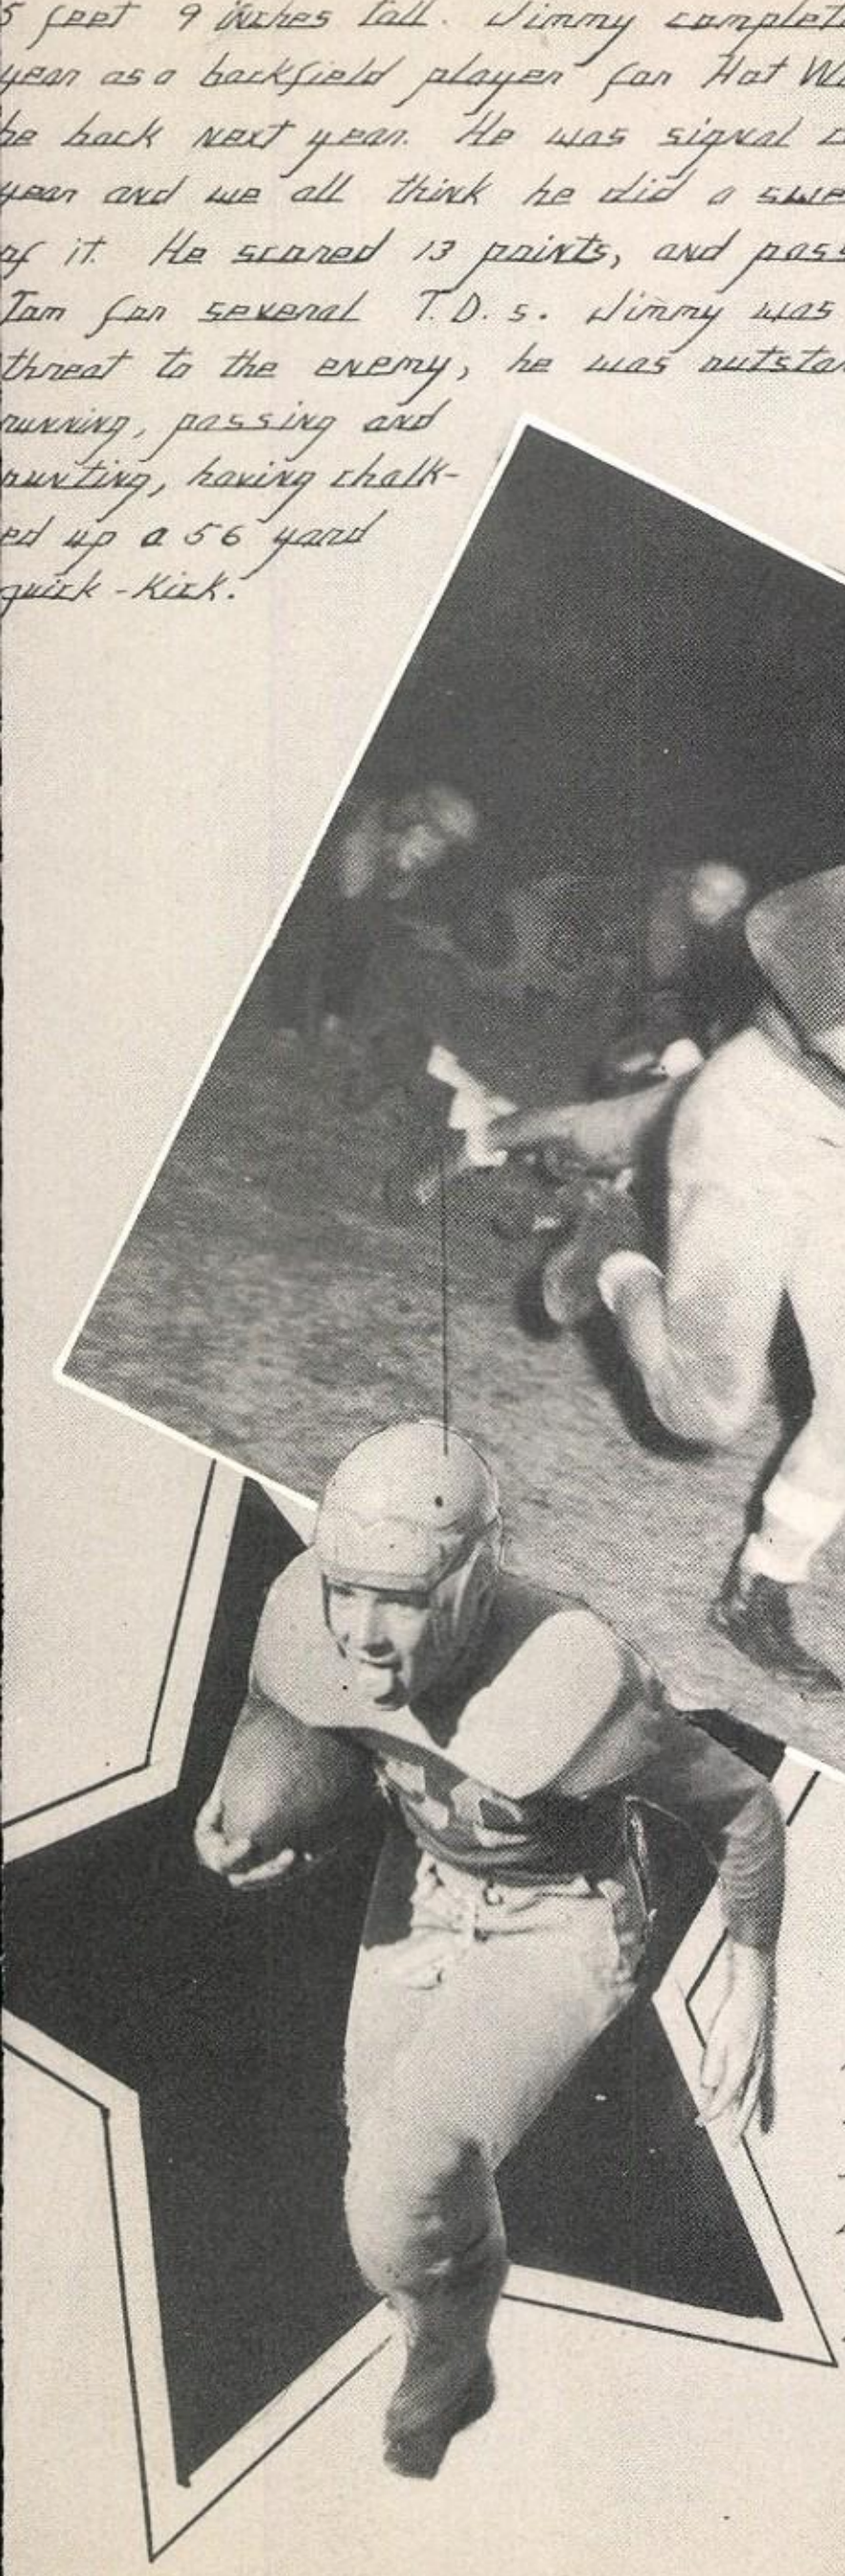
Bo Champagne - No. 71 - The hard-driving 1
pound fullback of the Hot Wells Blue Devils'
football team ended his eligibility this year a
ter lettering 3 years at tackle, guard and ful
back respectively. Bo was one of the C
captains and was high scorer for the tea
having scored 56 points this season. He wa
always a constant threat to the opponent
goal line and was a fierce tackler on defe
He also passed for the team and did the
punting, having punted the pigskin
yards in the Edison game. B
made honorable mention
was outstanding a
year on his har
driving line.



Robert Cobb - No. 58
Speedy quarter-back
on the Blue Devil's team
stands 5 ft. 8 in. tall
and weighs 145 pounds.
Although this is Cowboy's
last year as well as his first, we think he did a
good job at holding down his quarter-back position.
We will always remember him for his outstanding play-
ing in the St. Anthony game and Edison game. He did
not score in the St. Anthony game but made several
long runs that set up other scores. He also made
some long runs in the Edison game and scored twice,
once on a 58 yard touchdown run.

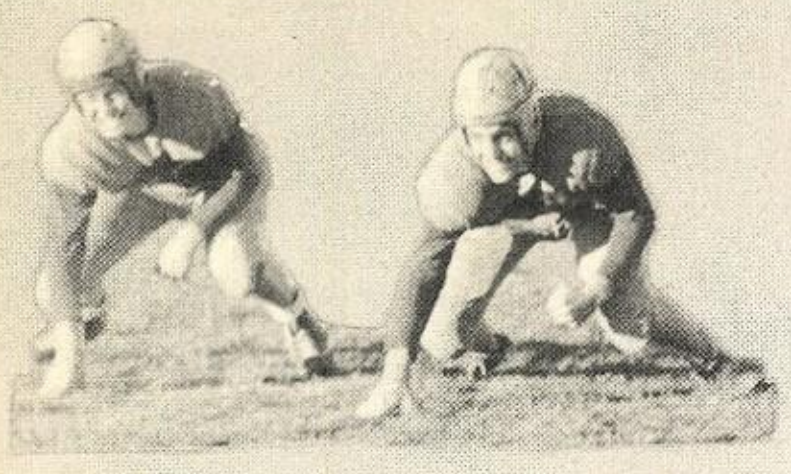
Jimmy Hill - No. 51 - Shifty tailback for the 1945 Blue Devils' team weighs 160 pounds and stands 5 feet 9 inches tall. Jimmy completed his third year as a backfield player for Hot Wells and will be back next year. He was signal caller this year and we all think he did a swell job of it. He scored 13 points, and passed to Tom for several T.D.s. Jimmy was a triple threat to the enemy, he was outstanding in his running, passing and punting, having chalked up a 56 yard quick-kick.



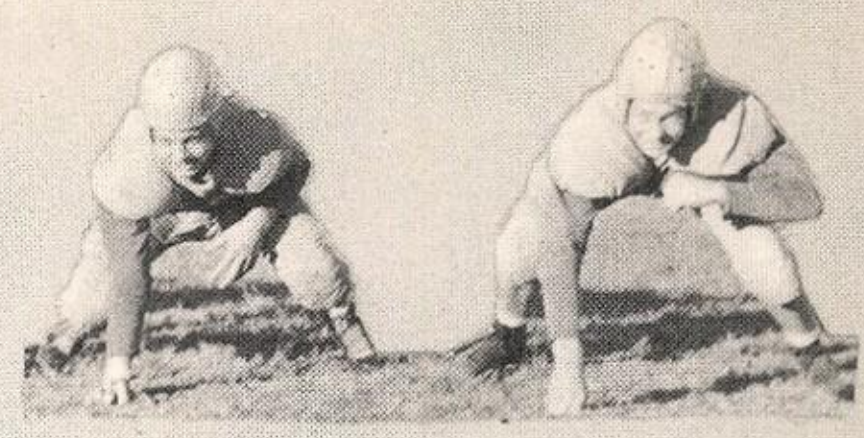


James Martin - No. 50 - Speedy and shifty wingback for the Blue Devils, weighs 120 pounds and stands 5 feet 7 inches tall. Although Monty is the smallest player on the Devils' team, he made honorable mention in Dist. 36-A. He scored 30 points, third highest for the Devils, which includes his thrilling 65 and 102 yard touchdown runs in the South San game. He also played a fine defensive game as safety man. Monty ended his eligibility this year having lettered twice for the Blue Devils.

Neal Junek - No. 53 - Part time starter at right guard. He weighs 155 lbs. and is 5 ft. 10 in. tall. This is Neal's first letter at Hot Wells, and he will be back next year to do his part in our forward wall.



Jack Shields - No. 52 - Part time starter on the Blue Devil's team as left guard stands 5 ft. 8 in. tall and weighs 140 lbs. This is Jack's fi letter for the Devils, and he will be back next year.



Ross Glazner - No. 55 - Alternate right guard weighs 155 lbs. and stands 5 ft. 9 in. tall. Ross earned his first letter at Hot Wells this year, but he moved to another school and will not be back next year.

S. P. Goodlen - No. 69 - Shared the position as Le guard part time with Jack Shields. S. P. weigh 165 lbs. and stands 5 ft. 6 in. tall. He was a important factor in the Devils' line up and d a good job of opening up holes for our backs to go through. This is his first letter and he will be back next year.

Frank Allison - No. 67 - Big right tackle on the Blue Devils' team added 180 pounds to the line-up and stands 6 ft. 2 in. tall. Frank was outstanding all year at his tackle post and did a very good job of playing it, both on offense and defense. This is his second letter and he will be back next year.

Ray Bryan - No. 65 - Tips the scale at 190 lbs and stands 6 ft. 7 in. He played left tackle for the Devils, and will be remembered for his fine defensive playing, espcially in the Lanier game. Roy has lettered two years for the Devils and expects to be back nex year.

Gus Langwell - No. 56 - Right guard on the Devil line-up, weighs 160 lbs. and towers 6 ft. 1 in. He was a fine offensive player and carried out his assignments to the best of his ability. This is his first year at Hot Wells as well as his first letter and he will be back next year.

Coach E. L. Chamness
mpleted his first year as Jr. A.
oach at Hot Wells. His work
coach of the Jr. A. Team was
tstanding as he led them to 5
ctories against 3 losses. Coach
hamness is an important factor
t Hot Wells because his Jr. A.
ams are our future varsity teams
d it is important that they have
me experiences.
